

Technical drawing of a circular layout, likely a floor plan or site plan, showing concentric circles and internal dimensions. The drawing includes the following dimensions:

- Outermost circle diameter: 100.0
- Second circle from outside diameter: 80.0
- Third circle from outside diameter: 60.0
- Innermost circle diameter: 40.0
- Distance from center to the top circle: 26.5
- Distance from center to the bottom circle: 48.7
- Distance from center to the left circle: 40.0
- Distance from center to the right circle: 40.0
- Distance from center to the bottom-left circle: 15.75
- Distance from center to the bottom-right circle: 15.75
- Distance from center to the top circle: 37.5
- Distance from center to the left circle: 23.9
- Distance from center to the right circle: 23.9
- Distance from center to the bottom-left circle: 18.5
- Distance from center to the bottom-right circle: 18.5
